VOL. XLVIII. UPLAND, CALIFORNIA, FRIDAY, JANUARY 29, 1943. No. 77.

AIR RAID DRILL AND DRAMA TO BE FEATURED FEB. 8

Combining air raid drill practice with a vivid stage portrayal of incidents, the Upland civilian defense council is preparing for the February 8 rehearsal.

Under the direction of Frank Davis and in cooperation with Richard Derby, a thrilling incident drama will be presented in the Upland junior high school auditorium following the rehearsal.

The big event for the local civilian defense organization is February 15, when U. S .army officials will come for a widely-heralded inspection. A host of government officials will arrive early in the afternoon on February 15 in readiness for the inspection. Dinner will be served the visitors and members of the Upland control center board by the Red Cross canteen committee, Mrs. Warren H. Wass, chairman.

Tentative plans for the February 8 rehearsal and for the official inspection the following week were discussed at the control center meeting Wednesday morning.

Present at the meeting were Mayor Eugene Nisbet, chairman; Richard G. Manley, commander; Jake Voth, Sam Barker, Tweed Stone, Howard Mason, Earl Hawthorne, Paul F. Schowalter and Eugene L. Muller.

William Harnly Is Now Lieutenant and Master Bombardier

William Harnly, son of Mr. and Mrs. M. V. Harnly, 840 North Euclid avenue, who has been in training at Kirtland field, near Albuquerque, N. M., has just received his commission as second lieutenant in the army air corps, he revealed in a message to his parents.

Lieutenant Harnly is now a master bombardier and he was notified a few days ago that for the present he will be retained as an instructor at Kirtland field.

He had expected to make a short visit home on furlough, but his new assignment has necessitated changes in his plans. He may be able to visit his parents in the spring.

Petty Theft Charge Brings $25 Fine and Six Months Probation

A recent employe at the W. W. Stevens home, San Antonio avenue, Lydia Hamm, was fined $25 in Judge Mildred R. Puckett's city court yesterday on a charge of petty theft.

On leaving her employer here, it is alleged she packed up a coat that belonged to Mrs. Stevens. She was placed on six months probation and is to report to the Upland police twice a month. The coat was returned to Mrs. Stevens.

The accused was located in Los Angeles by Police Chief E. L. Mueller and Sam D. Barker, constable, where she had attempted to obtain employment.

Storm Debris Being Cleared From Streets

In spite of the best of preparations to minimize the loss in case of heavy rainfall, some Upland streets were flooded by last week's storm.

And so today street department employes are clearing up streets. Twenty-fourth street was the first thoroughfare to get attention of the city crews, with Twenty-third street coming next.

S. A. Canyon Road To Resorts Blocked

San Antonio canyon road to Camp Baldy is still impassable as the result of the flood damage of a week ago. Motorists can get only as far as the lower ranger station in going into the canyon.

Through Glendora and a "good mountain road", entrance, however, is possible to the canyon and resort areas.

Know Your Policemen

(This is the first of a series of interesting stories about members of the Upland police department and the Upland volunteer firemen. In each of the subsequent issues will be presented a brief account of the men who are constantly alert to enforce the laws and to protect the community.)

—:—

Veteran Officer Looks Back On 17 Years of Service Here

When Everett E. Carter joined the Upland police department September 1, 1925, the city owned no cars, traffic law violators were at a minimum—and there were more criminal complaints than now.

"I patrolled the business and residential district on foot then," recounted the veteran-in-point-of-service officer. He looked back on more than 17 years of law enforcement work.

On the police force with him then were the late J. F. Sawyer, chief and constable; Louis Kronmeyer, and C. S. Lehman, patrolmen. Each of the four men leased their privately owned machines to the city. Thus the city had the machines available in emergency.

E. E. CARTER

TURN ON LIGHTS

The day patrolmen were on duty "until it was time to turn the street lights on," then the night patrolman took over, reviewed the officer, who resides with his wife at 859 North Second avenue.

"While I was working for one of the councilmen I heard there was a vacancy on the police force, so I applied, and have just kept on the job," continued Patrolman Carter.

As he recalled, the councilmen at that time were A. H. Johnson, Frank C. Buffington, C. K. Francisco, L. E. Moser and Ray C. Norton.

TRAFFIC IS VITAL

"Of course, there were not many cars and no special traffic problem then," he said, and then added that "now traffic control is one of our principal considerations."

While the traffic problem has increased, criminal complaints have decreased, according to Mr. Carter. The general public has become "better educated" in the observance of laws.

Improvement in law enforcement agencies, introduction of the two-way radio system and other factors were also credited by the veteran with the reduction in criminal cases.

Mr. Carter said the introduction of the radio was the greatest single improvement in police work during his tenure.

Highest Boy Scout Honor Is Accorded Prominent Uplander

In recognition of his outstanding leadership as a Boy Scout master and for his consistent and constructive interest in Scouting in general, Earl E. Hawthorne has been awarded the coveted Silver Beaver.

This is the highest possible honor the Boy Scouts of America can confer on its distinguished leaders.

EARL E. HAWTHORNE

For nearly 12 years Mr. Hawthorne, 904 West Eighth street, has been faithfully directing the activities of Scouts. His troop has consistently been outstanding.

The Beaver award was presented to the Uplander at the annual meeting of the Old Baldy Council of Boy Scouts in Claremont Tuesday night. H. S. Bailey, Ontario, who has personally observed Mr. Hawthorne's work and his influence on many boys, made the presentation.

"Your influence in scouting has spread beyond the troop itself," Mr. Bailey said, in addressing the Uplander. "You have contributed as much as anybody in the Old Baldy council to the boys of the entire community in whose behalf you have given unstintingly of your time."

Mr. Bailey also recognized the splendid cooperation and assistance given by Mrs. Hawthorne.

Mr. Hawthorne is the second Uplander to receive this award, the other being Dr. Robert C. Stone, former pastor of the Presbyterian church here.

FOOT OF SNOW ON TOP OF MT. BALDY

It's white dome covered with snow from one to two feet in depth, Mt. Baldy stands out like a beacon light shining for all in the southland to see.

And it stands there with its frozen covering to provide an additional water supply for local citrus groves when its winter cap is melted away.

The snow, first of the season, fell as the climax of the storm that visited the southland during the week.

Snow Crest camp has approximately eight inches of snow. Skiing fans are scheduled to be converging on the resort center this week-end.

The season's rainfall record now stands at 20.93 inches, the first of the week storm adding 1.14 inches to the total, according to J. R. Johnston, Twenty-second street weather observer.

33 Stop Signs Are Taken Down at Local Street Intersections

A city with not many stop signs—that's Upland.

Thirty-three street intersections in Upland which had previously been posted with the word "Stop" today have signs that read "Slow".

The city council recently requested that as many stop signs as possible be taken down in the interests of conserving tires and gasoline. Employes of the street department are completing the change over in signs to bring to 33 the total intersections affected.

NINE PERMITS FOR BUILDING ISSUED IN CITY IN MONTH

Nine building permits issued during January give 1943 a start of $1,835 in the valuation of constructive activities, Richard Derby, building inspector, reported today. All the permits were for either repairs, additions or alterations.

During the same month in 1942, the valuation total was $8,734 as the result of 15 permits being issued by the city's building department.

Permits for this month were issued to the following: S. M. Moses, 447 Sixth avenue, alterations and roof; San Antonio Community hospital for record storage vault; Karl Lowry, 407 Third avenue, remodeling; William Walk, for repairs to residence at 870 Fifth avenue; J. W. Bert, 591 Third avenue, alterationsj; C. L. Bruce, 966 East Ninth street, reroof; Joseph Wilhelm, 772 Third avenue, garage; Margaret and Mary Stainton, 1543 West Eighth street, garage, and Elmer Cole, 826 East Eighth street, poultry house.

About half of the permits issued this month were given out during the last week, according to the official.

NEW SECRETARY OF CHAMBER "ON JOB"

Even though his official appointment does not become effective until Monday, Dr. James V. Latimer is "on the job" as secretary of the Upland chamber of commerce.

"I have been at the office getting acquainted with the routine and learning something of what is to be done," Dr. Latimer said today. "I find that Mrs. Frank Wiley, the assistant secretary, is very efficient and alert and I am anticipating my work with the civic organization."

Dr. Latimer was appointed by the chamber directors recently to succeed Howard Pierce, who recently resigned to accept employment on the Ontario Daily Report. Mr. Pierce also resigned from The Upland News staff.

MRS. LARSEN IS CALLED BY DEATH

Many friends throughout the West End communities were shocked last evening by the news of the death of Mrs. Alice Marie Larsen of Ontario.

Although she had not been in robust health for some time, still Mrs. Larsen was ill for only one day. Her death occurred at 4 o'clock Thursday evening at San Antonio Community hospital.

Mrs. Larsen was a niece of Mrs. James W. Barnett, Mrs. Harriet L. Gray and Mrs. Jesse Olney, all of Upland, and she was well known in this community, having numerous personal friends here.

She was a native of Los Angeles and was 49 years of age. She had resided in Ontario for the past 12 years and during that time was closely identified with social, church and civic activities. She was a member of Christ church, Episcopal, and was active in Red Cross, air plane observation and U. S. O. work.

Her sincerity and enthusiasm in whatever task she undertook always was noted and appreciated by those associated with her.

Mrs. Larsen leaves a daughter, Miss Marian Larsen, Pomona college student, and her three aunts in Upland.

Funeral service will be held at Christ church at 3 o'clock Saturday afternoon, with the Rev. Harley Smith officiating. Interment will occur in Bellevue cemetery.

Friends may call at Draper's Ontario chapel this evening from 8 to 9:30.

Gordon Day 'Taken' By Government for Guayule Production

His equipment and himself sought by the U. S. department of agriculture, Gordon C. Day is preparing to leave Upland. He first came here 40 years ago.

The stock and equipment in his blacksmith shop are being moved to Arvin, near Bakersfield, to be used in the maintenance of farm machinery. Mr. Day has been appointed a general supervisor in the construction of equipment for the production of guayule, rubber plant.

He has been advised that approximately 500,000 acres of guayule are to be developed with government support and Mr. Day will direct the building of the special equipment, then maintain it.

The residence he and Mrs. Day purchased at 636 Laurel avenue several months ago has been purchased by O. E. Hirschler of Alta Loma.

After being away from here for many years, Mr. Day returned with Mrs. Day several years ago. Since then they have been active in the community. Mr. Day opened a general repair and blacksmith shop here in 1903 and was in business for more than 10 years, leaving here then for other endeavors.

ALL PAY VICTORY TAX, LIONS TOLD

Everyone has to pay the five per cent victory tax, William Gilliland said in discussing the new levy at the meeting of the Upland Lions club in the Red Hill country club house at noon yesterday.

The tax is to be deducted from all employe's pay at least every quarter, except those people engaged in agricultural work, domestic work or casual labor, Mr. Gilliland explained. He is proprietor of Gilliland Gardens and vice-president of the Lions. He was present at the two tax and point rationing addresses given on Tuesday by Ferris M. Wakeley, specialist.

Employers of persons in agricultural work are not required to deduct the victory tax from the pay checks, but these employes must pay this tax at the end of the year, according to Mr. Gilliland.

He explained that $12 from each week's pay is exempt in figuring the victory tax.

When the tax forms on the 1943 income are issued they will contain places for the recording and figuring of the 1943 victory tax, he said.

Mr. Gilliland was assisted in his presentation by Elmer Allen, Melvin Shimmin and Clyde DuVall, who also attended the lectures.

Special features at the meeting included a "birthday" talk by the Rev. Donald G. Stewart, a new club member; selections on the vibra harp by Gilmore Erickson, and reports on the recent mid-winter Lions club conference at Fresno by Glenn M. Atwood and Vernon V. Paine.

Alleged Forger Gets $25 in Local Deal

After gaining the confidence of Jake Huddleston, proprietor of a local establishment, a man giving the name of R. A. Nicholson and using a fictitious East Ninth street address, cashed a spurious $25 check this week.

Report of the loss and a description of the alleged forger has been filed with Upland police.

Elks' Official Is Guest At Meeting

Ben Osterman, vice-president of the California State Elks association, was the honored guest at the meeting of the Elks lodge in Ontario last night, the event being attended by many from here.

A venison dinner was served.

PLEAS FOR PLACES FOR MEN TO LIVE ISSUED BY KAISER

With new construction under way as the result of a recent additional $28,000,000 loan, the Kaiser Co., Fontana, today issued an appeal for more housing facilities.

Number of employes at the site of the huge steel mill is steadily increasing. That a very critical situation is faced due to lack of housing accommodations is apparent in the Kaiser company's request for listings of all kinds of accommodations.

Walter J. Farrell, public relations officer for the company, reported that work is well under way on the two open hearth furnaces. This work is the result of the company obtaining more money as a federal loan. About fire per cent of the men employed in the construction and operation of the plant are experienced in the steel industry. The remainder of the employes are obtained wherever possible.

Local people having accommodations available for the Kaiser employes are advised to call "Miss Seymour" at the Kaiser Co. in Fontana.

Naval Certificates For G. A. Billings And Glenn Atwood

Glenn M. Atwood, selected by the Elks lodge to serve as civilian navy recruiting officer in Upland, and Gordon A. Billings, doing similar work for the Elks in Alta Loma, were awarded certificates of merit, issued by the U. S. navy recruiting service, during the meeting of the Elks lodge held last night in the Elks hall in Ontario.

The certificates, carrying commendation of effort, are issued by the navy recruiting service to those who have secured at least eight recruits for the U. S. navy.

The presentations were made last night by Carl J. Haas, past exalted ruler of the lodge.

The Elks have been active in the work of securing naval enlistments.

SPEED IN JUSTICE SEEN BY SPEEDER

Taking their tip from the evidence at hand, Upland law enforcement and judicial officials "moved like lightning" yesterday.

The result—within two hours a "hopped up" car had been actually junked and its driver, Homer Davis, 16, had been charged with speeding, reckless driving and driving a car in an unsafe condition.

He was taken before Judge Mildred R. Puckett. Decision in the case will be pronounced a week hence.

Residents adjacent to the San Antonio park called police at 2:45 p. m. yesterday, about a speeder traveling excessively. Officer Zachary of the Upland police department and Officer Woods of the California highway patrol were assigned to the call. Davis' arrest and speedy disposition of the car followed. Judge Puckett ordered the machine junked.

Garden Class for Heights Residents Starts February 5

Victory garden class to be held for residents of San Antonio Heights will hold its first session in the evening of Friday, February 5, and not this evening as previously announced.

The class meetings will be held at the Heights civilian defense information center, maintained at the home of Mr. and Mrs. H. B. Hamilton, North Euclid avenue.

Should the attendance be too large to be accommodated at the information center, then the sessions will be held at the home of Mr. and Mrs. Frank Davis.

Murder Charges Filed Today In Fatal Fight

Blood Donors Can "Give" Here Again In About Six Weeks

In about six weeks, another opportunity will be given Uplanders to serve as blood donors.

The mobile unit of the American Red Cross, here on Wednesday, is tentatively scheduled to return six weeks hence, according to Mrs. Paul Adams, chairman of the local Red Cross chapter.

"I want to sincerely thank the public for the splendid cooperation given us," she said, and indicated the officials with the unit were appreciative of the fine response here.

Blood obtained in this service is used to make blood plasma, which is sent to the fighting fronts for use in aiding injured soldiers' recovery.

Just as long as there are soldiers on the front line it will be necessary for civilians to be blood donors, according to Mrs. Adams.

FREE MONEY; $192 OFFERED MONDAY

Mrs. C. E. Allen, 460 North Third avenue, won the $25 offered in The Upland News food advertising fund last night. Her house number was selected and when offered the money she responded with sales slips showing that she had made food purchases at the qualifying stores this week.

Money is going to be given away Monday night.

No foolin' about it. Someone may get $192. If not that much, then $92, but somebody is going to get some easy coin of the realm.

All of this is referring to the popular Saturday dividend day and the record breaking jack pot of $192. In the customary manner, an address will be selected with all of the jack pot offered. If a person at that address does not qualify to win all the money, additional drawings will be conducted.

In all drawings following the first one, the amount to be offered is $92. The point is that $92 will be given to someone. The total jack pot of $192, however, will be offered in the first drawing.

The drawing for the $192 will be conducted at 5:45 p. m. Monday at The Upland News office. Any resident who is available at that time will be invited to draw numbered cards from a container. The first number drawn will indicate the page number in The News residential directory. The second number drawn will indicate the line number on the page.

Addresses of every house in Upland, Alta Loma, Cucamonga and Etiwanda are included in the directory.

P. O. TO CLOSE SATURDAY NOON

Individuals who enjoyed the short privilege of having their Saturday afternoon mail delivered or who made business trips to the post office Saturday afternoon, are going to learn with regret that the Saturday p. m. postal business has been blacked out.

Mailmen and clerks who for a few weeks were ordered to work Saturday afternoons, have a new order. They are to quit at noon Saturdays.

"That means we can't give the Saturday afternoon service even though we are very eager to," declared genial Postmaster Orton P. Brady. Then he added: "That order is in effect right now. We will close at noon on Saturday."

ALFRED LOPEZ HELD FOLLOWING INQUEST TODAY

Murder charges were placed against Alfred Lopez this afternoon as an aftermath of this morning's inquest over the body of Jesus Rojas, allegedly killed late Tuesday night. The inquest was held at Stone's mortuary.

As a climax to a bloody fight that first started out to be only a mild quarrel, Jesus Rojas was allegedly beaten by rocks and stabbed to death. Blame for the death was officially placed on Lopez by the inquest jury.

Manuel Rojos and Frank Hernandez, also involved in the fight preceding the death, were charged with disturbing the peace.

INTERPRETER USED

Witnesses, some with the aid of an interpreter, patched together the circumstances that brought together a group of Mexicans in Gerardo Marquez's beer parlor on Campus avenue, north of Foothill boulevard, early Tuesday evening. Drinking of beer was admitted. Witnesses also referred to a fight a few days previous.

The fight started between Frank Hernandez and Alfred Lopez, according to Francisco Angana, a witness. He also testified that early in the "fight" Alfred Lopez got an ice pick from Jesus Rojos, who "happened" to be the victim.

The ice pick was identified later as the weapon police obtained near the scene of the fight.

Witnesses, in answer to questions, declared that the murdered man had not participated in the altercation.

MEN ORDERED OUT

Marquez, beer hall proprietor, related that when the fight began to look serious he forced all the men out of the establishment. Outside the building, rocks were thrown and Lopez, having overtaken Jesus Rojos, kicked his victim, according to Angana.

The man's body was found by police a short distance south of the beer parlor at the northern edge of the Sierra Vista school grounds.

Police appearing as witnesses were Sergeant Ralph Palmer and R. R. Campbell.

Marquez summoned police immediately after he had emptied his building of the fighters. Four men were arrested for investigation within a short time after the murder.

Serving on the inquest jury were William Gilliland, Leigh Thompson, Ray C. Norton, R. H. McLennan, Ernest H. Gibson, G. T. Redmon, Harold Musser, W. E. Walk and Walter W. Horak.

John Knauf represented the district attorney's office and Coroner R. E. Williams conducted the inquest.

Chief of Police E. L. Mueller handled the investigation after the murder was reported and this morning he assisted the deputy district attorney in presenting the evidence.

J. W. Bert Buys Pooler Residence On Third Avenue

Mr. and Mrs. C. A. Pooler, who have lived in Upland for 10 years, have sold their home at 745 North Third avenue to Mr. and Mrs. J. W. Bert and will move to Artesia, near Long Beach, where they have purchased a large residence.

For the past 18 months Mr. Pooler has been employed at the Douglas Aircraft Corp. plant near Long Beach and the move is being made in order that he may be nearer his work. He and Mrs. Pooler and their daughter and sons, Jean, Charles and Ben, plan to move into their new home by February 15.

Mr. and Mrs. Bert will occupy the former Pooler residence, making that their permanent home.

Notes of Society

Club Women Entertain Delightfully For Husbands

Drawing an attendance of approximately 140 members and guests, annual guest night dinner was held Tuesday evening by the Upland Woman's club, the varied program of events providing pleasant and interesting entertainment.

Husbands of members and other guests made up the large number of visitors in attendance.

An excellent turkey dinner was served at 6:30, under the direction of Mrs. Ray C. Norton and her January committee. The tables were made particularly attractive with arrangements of camellias and sweet peas.

As presiding officer, Mrs. L. E. Moser, club president, dispensed with the business and the program was presented immediately, beginning with assembly singing of several numbers led by Mrs. Marion Maxwell.

At the request of Mrs. Moser, Mrs. J. E. Sargent, program chairman, assumed charge of the meeting and after extending greetings to all the guests, she explained the remainder of the program and presented the entertainers.

Under the direction of Mrs. Maxwell, members of the club chorus, wearing old-fashion costumes of varying periods, sang a group of selections, including "Flow Gently, Sweet Afton" and the familiar old Scotch song "Comin' Thru the Rye".

In a bit of clever impersonation during the latter song, several of the women in the chorus, wearing top hats and carrying canes, took the part of the "laddies" who kissed the lassies as they waded through the river Rye.

The singers were twice forced to respond to an encore, singing "Pennsylvania Polka".

Dr. F. F. Abbott of Ontario, expert cameraman, entertained his audience with a filmed travelogue, showing beautifully colored slides of scenes in the famous Zion park and Bryce canyon.

Dr. Abbott made the pictures during a motor trip through those national parks and the scenes he selected served to reveal many of the monders and beauties that nature collected there. The pictures also showed desert scenes when the wild flowers were blooming.

An explanatory lecture by Dr. Abbott made the pictures all the more interesting.

At the conclusion of the program, the large auditorium was cleared and dancing was enjoyed for some time, the music being provided by Chester Jaeger.

Layette Gift Shower For Mrs. Bowers Happy Event

Mrs. Melvin Bowers, 612 Third avenue, was the honored guest at a layette shower given Wednesday afternoon at the home of Mrs. Menno Horst, 908 East Ninth street.

Bringing together friends and relatives, the party was featured by informal visiting and the opening of the gifts. A baby bath tub had been filled with gifts and these were presented to the honoree.

Enjoying the happy occasion were Mrs. E. B. Harder, mother of the honoree; Miss Ruth Harder, a sister; Mrs. Maude Kreider, a cousin, and Mrs. Guy Hostetler and daughter, Carol Ann; Mrs. Ed Yoder and son, Duane; Mrs. Menno Stoner, Mrs. George Beare, Mrs. Mahlon Zimmerman and son, Mahlon; Miss Lois Horst, Mrs. Menno Horst and daughter, Jo Ann Horst.

* * *

P. E. O. Chapter To Study Ontario Province

Another "lesson" on Canada, the year's study subject, will be enjoyed by members of Chapter DV, P. E. O., when the meeting is held next Monday, February 1, at the home of Mrs. Melvin T. Lee, 931 North Palm avenue, Ontario.

The program will be presented by Mrs. C. W. Randall, whose topic will be "Ontario, Best Known Province".

The meeting will begin with the serving of a 12:30 luncheon. Mrs. Abbie Withey will be co-hostess with Mrs. Lee.

Miss Dollie A. Brown And Clinton Blake Exchange Vows

Bethel Baptist church in Pomona was the scene of an interesting wedding Tuesday evening, January 26, when Miss Dollie A. Brown, daughter of Mr. and Mrs. M. S. Brown of West Foothill boulevard, Upland, became the bride of Clinton R. Blake, son of Mr. and Mrs. James H. Blake of Pomona.

For the nuptial occasion the church was attractively decorated with pink gladioli, white snapdragons and Scotch heather.

The officiating minister who performed the single ring service was the Rev. Tom Walker, pastor of the church.

The pre-ceremony music was provided by Miss Anona Short, pianist, who played "Oh, Promise Me" (deKoven) and "I Love You Truly" (Bond). Miss Short also played the traditional marches, the "Bridal Chorus" from Wagner's "Lohengrin" as the processional and Mendelssohn's "Wedding March" as the recessional.

The bride, who was given in marriage by her father, was attired in a new spring suit of light-weight beige wool with green accessories. She carried a bouquet of pink sweet peas and white carnations with fernery.

The maid of honor, the bride's only attendant, was her sister, Miss Stella Brown of Upland. She wore a beige suit with luggage tan accessories and a corsage of gardenias.

Attending the bridegroom as best man was Lynn Harrison of Ontario, and J. H. Brown, uncle of the bride, served as usher.

The bride's mother, Mrs. M. S. Brown, wore a dress of blue silk alpacca and the bridegroom's mother, Mrs. Blake, was attired in a dusty rose dress. Each wore a corsage of gardenias.

The ceremony was witnessed by approximately 50 guests.

Following the wedding a reception was held at the home of the bride's parents, where a wedding collation was served from a table graced with white snapdragons. Following tradition, the bride cut the first slices of the cake that was served to the guests.

The bride, a graduate of Chaffey high school, has been employed in the Douglas Aircraft Corp. plant at Long Beach.

Mr. Blake, who was graduated from Pomona high school, is now in the U. S. Coast Guard and is stationed in the Oakland area.

Mr. and Mrs. Blake left Thursday night for Oakland, where they will make their home.

Naftel Family Holds Reunion As Son Goes To Army

Honoring a son of the family, Robert Naftel, who left this morning for Fort McArthur to be inducted into the U. S. army, a family reunion was held Wednesday evening at the home of the parents, Mr. and Mrs. W. F. Naftel, 1095 West Arrow highway.

During the evening refreshments were served and the relatives made the farewell gathering a pleasant time to be remembered.

In attendance were Mr. and Mrs. Robert Naftel of Ontario, Mr. and Mrs. Glen MacLaughlin and Billy and Barbara, also of Ontario; Mr. and Mrs. Eldon Naftel of LaCanada, Mr. and Mrs. Marion W. Grothe and Charles and Jacqueline of Upland, and the parents, Mr. and Mrs. Naftel.

Mrs. Sawyer Accorded Birthday Courtesy As Club Meets

Providing a pleasant afternoon for members of the Pioneer club, Mrs. Minnie D. Goodrich was hostess yesterday at her home, 415 West Sixteenth street.

Scotch heather was used in decoration of the table where the usual contributed luncheon was served at 12:30 o'clock.

Following luncheon, the members visited informally while they did sewing for the Red Cross. As a surprise for Mrs. J. F. Sawyer, who was observing her birthday anniversary, they presented her with a birthday gift.

Enjoying the hospitality of Mrs. Goodrich were Mrs. S. G. Moore, Mrs. Ernest C. Mehl, Mrs. A. L. Palis, Mrs. Ray C. Norton, Mrs. Grace C. Paulin, Mrs. J. F. Sawyer, and Mrs. Harry M. Guy.

Woman's Auxiliary To Sons In Regular Session

Three applications for membership were received during the regular meeting of the Woman's Auxiliary to the Sons of Union Veterans, held Tuesday evening in the W. R. C. Memorial hall.

Feature of the business session conducted by Mrs. Oran E. Burt, president, was her announcement of a new method of selecting hostesses for the social evening held by the auxiliary. According to the plan, the hostesses are to be selected alphabetically, those whose names begin with letters from A to C serving in February and March; from D to H, April to June; frfom I to R, July to September; S to Z, October to December. One exception was announced, Mrs. Van Wye being placed in the I to R group.

Because of the flood-damaged roads, Mrs. Charlotte Turner of Pasadena, who was scheduled to install two officers, could not be present and the installation was postponed. The two officers, Mrs. L. P. George, secretary, and Mrs. Cora L. Wilson, inside guardian, were unable to be present when the other officers were installed recently.

Announcement was made of the Lincoln club meeting to be held on February 6 in the Rosslyn hotel in Los Angeles, where a 6 o'clock dinner will be served, and of the mid-winter meeting of all camps and auxiliaries in Cole's cafe in Huntington Park on February 7.

During the business session the several activities chairmen gave their reports for the month.

Luncheon Club Meets With Mrs. John Anderson

Mrs. John G. Anderson was hostess Wednesday at her home, 265 North Euclid avenue, when she entertained members of the Afternoon Luncheon club at their monthly meeting.

Camellias decorated the table for the contributed luncheon, which was served at 12:30 o'clock.

The remainder of the time was spent playing bridge, and at the close of the games prize for high score was presented to Mrs. Ray C. Norton, and Mrs. O. O. White received the consolation award.

Enjoying the hospitality of Mrs. Anderson were her sister, Mrs. Alma Nelson of Everett, Wash., and the members, Mrs. O. O. White of LaVerne, Mrs. R. C. Norton, Mrs. H. M. Guy, Mrs. F W. Palmer, Mrs. E. E. Pember, Mrs. T. M. Nichols, and Mrs. W. F. Kitchel.

Two Guests Honored As Miss Grahame Entertains

Mrs. William Johnstone (Jane Daggs), who recently arrived from her home in Honolulu, and Miss Anieta Rohrig, fiancee of Sergeant Bill Gray now stationed in San Bernardino, shared honors in a delightful courtesy extended them last evening by Miss Peggy Grahame, who entertained with a dessert bridge party at her home, 390 North Euclid avenue.

An attractive arrangement of camellias provided the floral decoration. Early in the evening the hostess served a dessert course and bridge playing followed, with prizes being awarded to Mrs. Allison Shaw, high, and Miss Rohrig, consolation.

Miss Rohrig, who had been invited to participate in the welcome extended to Mrs. Johnstone, was happily surprised when when she was showered with a collection of personal gifts.

Miss Rohrig's wedding is to occur early in February.

Miss Grahame was assisted in entertaining by her mother, Mrs. J. L. Grahame.

Attending the party were Mrs. Johnstone, Miss Rohrig, Miss Dorothy Rosenberger, Mrs. Allison Shaw, Mrs. Robert Thrall, Miss Mablelu Hutton, Mrs. Charles Latimer, Mrs. Jack Sorensen, Miss Grahame, and Mrs. Grahame.

Executive Board of Woman's Club To Meet Monday

Members of the executive board of the Upland Woman's club will hold their monthly meeting Monday morning in the club house.

Mrs. L. E. Moser, club president, will preside and will open the session at 9:30 o'clock.

Faculty Wives' Party Delights Husbands Last Evening

Voted by all as one of the most successful ever held by the group was the annual party given by members of the Chaffey Faculty Wives club for their husbands last evening in the Chaffey Grotto. Quantities of flowering peach, breath-of-heaven and marguerites were used in decoration.

An old-fashioned box supper opened the affair. The men drew the beautifully decorated boxes and their supper partners by throwing darts at balloons, and it was interesting to note that each husband tried to win the box prepared by his wife.

Mrs. Jack White, the president, welcomed the guests, and then turned the meeting over to Fred H. Clapp, who acted as master of ceremonies.

A woman's trio, composed of Mrs. Walter G. Dyer, Mrs. Don Jacobs and Mrs. Glen A. Moody, sang "Sweet and Low", "My Sweet Repose" and "Will o' the Wisp", accompanied at the piano by Mrs. Archie L. Moore.

Louise Sandine, as "Professor Muddlepuss", then conducted an information quiz. The experts, divided into two teams, included Frank F. Palmer, Jack White, Herbert S. Bailey, Fred H. Clapp, Ernest R. Camfield, Ernest A. Payne, Woodrow Smith, and Melvin R. Shimmin.

A men's quartet, composed of Walter G. Dyer, Don Jacobs, Archie L. Moore and Frank L. Young, entertained with several selections, including "Stars of the Summer Night", "Down Mobile", "Drink To Me Only With Thine Eyes" and "Loch Lomond". They were accompanied at the piano by Mrs. Moore.

Early day photographs of the members and their husbands were projected on a screen, and Mrs. Archie L. Moore was awarded a pound of coffee for identifying the greatest number.

As a conclusion to the party, the group danced the Virginia Reel, with Ernest R. Camfield at the piano.

The committee in charge of arrangements for the affair included Mrs. Glen A. Moody, chairman; Mrs. Don Jacobs, Mrs. Everett Tolman, Mrs. Fred H. Clapp, Mrs. S. Earle Blakeslee, Mrs. Lucas J. Horsch, Mrs. Gardiner W. Spring, Mrs. Clarence Calhoun, and Mrs. John L. McCutchen.

Business Women Hold Board Session

Routine meeting of the executive board of Upland Business and Professional Women's club was held Thursday at 5 p. m. in the office of the club president, Mrs. Douglas Black.

Several local and federation matters were given attention during the meeting.

In attendance, besides Mrs. Black, were Mrs. Ada H. Quick, Miss Olive Wilkowski, Mrs. Harry Plum and Mrs. William Tyler.

H. E. O. Club Meets With Mrs. Gregg As Hostess

Mrs. George Gregg, of 552 East Arrow highway, was hostess to members of the H. E. O. club Wednesday afternoon, entertaining her guests at the home of Mrs. A. N. Baker, North Euclid avenue.

The meeting opened with the serving of a dessert course, after which the members enjoyed an informal bridge tourney. Prizes have been eliminated for the duration.

Attending the party were Mrs. A. J. Colgan, Mrs. C. K. Francisco, Mrs. Ben H. Strother, Mrs. M. E. Hilty, Mrs. Archie J. Robinson, Mrs. A. N. Baker, and the hostess.

Mr. and Mrs. Dwight Parkins and children, Dickie and Evonne, visited relatives in Long Beach and Huntington Park Tuesday.

Wesleyan Bible Class Holds Postponed Meeting

Postponed last week because of the rain storm, members of the Wesleyan Bible class of the Methodist church held an enjoyable meeting yesterday at the home of Miss Lillian J. Williams, 334 North Euclid avenue. Assisting Miss Williams on the hostess committee were Mrs. Flora S. Allen, Mrs. Stacy Haines, and Mrs. Mary E. Waterman.

Following the contributed luncheon which opened the meeting, Mrs. C. S. Kelley had charge of the devotional period, and Mrs. Samuel Hughes gave an inspiring and humorous talk.

A routine business session was conducted by the president, Mrs. Allen. The invitation of Mrs. Mary E. Waterman to meet with her on the fourth Friday in February was accepted.

The remainder of the afternoon was spent socially while the members did sewing and knitting for the Red Cross.

Mrs. Hughes, Mrs. J. J. Atwood and Mrs. Minnie D. Davis were guests at the meeting. Members present were Mrs. John G. Anderson, Mrs. Anna Lamb, Mrs. Dora L. Hilbert, Mrs. Etta Johnston, Mrs. J. B. Ford, Mrs. Mary Cadnum, Mrs. Luella Genung, Mrs. Virginia Eberly, Mrs. William T. Schaffner, Mrs. W. B. Sage, Mrs. C. S. Kelley, Mrs. W. H. Scholten, Mrs. Mary A. Eckerman, Mrs. T. I. LaPlant, Miss Katharin Van Osdel, and the four hostesses.

Priscilla Club Party Held Thursday At Bradley Home

Members of the Priscilla club enjoyed a pleasant meeting yesterday when they were guests of Mrs. L. R. Bradley at her home, 1501 North Mountain avenue.

A contributed luncheon was served at 12:30 o'clock, after which Mrs. Cecil S. Myers, president, conducted a brief business session. The remainder of the time was spent socially.

Present were Mrs. Leon Durham, Mrs. Wilbur Rider, Mrs. Clarence C. Verity, Mrs. R. C. Cadnum, Mrs. Cecil S. Myers, Mrs. W. F. Naftel, Mrs. Wilbur H. Spicer, Mrs. D. C. Sutton, Mrs. Blanche M. Loch, Mrs. Harold K. Hemingway, Mrs. Mary B. Baker of Pomona, and the hostess.

REVIEW OF BOOKS AT LOCAL LIBRARY

BY MRS. F. H. MANKER

"Must America have a postwar depression or is there a richer and finer future in the making?" asks the author of "The Road We Are Traveling".

Stuart Chase says: "This country has the productive power, the men and materials to attain the highest peacetime standard of living we have ever known. Our job is to carry the full production, full employment of wartime over into the peace."

The Twentieth Century Fund's trustees commissioned Stuart Chase to make an exploration of some of the pressing questions we must face when peace returns. "The Road We Are Traveling, 1914-1942", is the first of a series of six books to be published; the second being "Goals for America", a budget of our needs and resources, and both may be found in the Upland public library.

According to the announcements, he balances the two, thus providing jobs for all in the process.

Dr. and Mrs. W. R. Farmer of 446 North Campus avenue, enjoyed a visit over the past weekend from their son, Corporal Ernest Farmer. Corporal Farmer is a member of one of the bands at Camp Haan.

FOUNDERS HONORED BY P.-T. A. COUNCIL

Founders' day was observed by Ontario Council of Parents and Teachers at the quarterly meeting held Wednesday morning in the Upland Elementary school auditorium. Mrs. Wilbur Rowlands of Ontario, council president, presided.

Mrs. David F. Jones, president of the Upland P.-T. A., was in charge of arrangements for the program, which was a skit presented by pupils of the sixth grade. Taking part were Richard Hilke, Ronald Van Fleet, Barbara Barr, Ian Richardson, Patsy Gear, Robert Farrington, Harold Harris, Barbara Stroh, Marvin Winger, Dick Linkey, Doris Plum and Barbara Hall.

Bruce Miller, elementary school superintendent for Ontario, was speaker, addressing the group on "Today's Problems of the Elementary School". He told of changes which have been made in the philosophy of teaching during the past few years because of changing world conditions.

During the business session conducted by Mrs. Rowlands, a nominating committee was selected to make preparations for the electiton of officers at the next meeting, and the council voted to present two life memberships this year.

Presidents of the various associations gave brief outlines of what has been accomplished by their groups during the year. Upland, it was revealed, has the largest membership of any association in the Fifth District, which embraces San Bernardino county.

Dr. Kinnaman To Be Heard Tonight And Twice Sunday

Final lecture in the series of archaeological studies presented this week by Dr. J. O. Kinnaman, will be heard this evening at the Brethren in Christ church on Third avenue at F street.

Beginning at 7:45, Dr. Kinnaman will speak on "The Voices From the Tomb", or "Three Kings There Were". His lectures are illustrated with slides showing actual scenes of archaeological excavations and discoveries.

Dr. Kinnaman, an ordained Presbyterian minister, will occupy the pulpit at the Brethren in Christ church at both the morning and the evening services Sunday. His morning topic will be: "Origin, Development and Ultimate Destiny of the Cross". At the evening service he will speak on the subject of "Jesus on Trial Today".

ENTERS TUTANKHAMEN'S TOMB

The lecture this evening on "The Voices From the Tomb" is his personal experience in the opening of the tomb of King "Tut". He will tell how it is that he survived the "curse" pronounced on anyone who should enter that tomb, and which did cause the death of 20 members of the party of 22 who participated in that find. This lecture will be illustrated by actual photographs.

In 1939 Dr. Kinnaman was prohibited by a personal message from Mussolini through the American Consul from ever setting foot on Italian soil anywhere in the world, so long as the Duce lives. The reason was the friendship of the archaeologist for Hailie Salassie, and his denunciation of the "Rape of Ethiopia" from American lecture platforms.

Beulah college has sponsored Dr. Kinnaman's appearances here and the Rev. Arthur M. Climenhage, president of the college, and the Rev. C. R. Heisey, pastor of the church, unite in inviting the public to hear this final lecture and the sermons Sunday.

MARCH OF DIMES ENDS FEBRUARY 5

Extension of the duration of the annual "March of Dimes", the nation-wide contribution of funds to combat infantile paralysis, was announced Thursday, the new closing date being February 5.

Blanks to be signed by the contributors have been placed in many of the local business houses and the money contributed at those places will go into the paralysis fund.

Half of the money given here will be retained for local use, while the other half will go to the national fund.

Postmaster O. P. Brady is in charge of the local "collection" and he desires to call attention to the extention of time, which will bring the March of Dimes to a close next Friday, Feb. 5.

Arcadia Speaker Heard at Dinner By Townsend Club

Meeting for the first time in their new location, the Girl Scout house on North Third avenue, members of Upland Townsend club No. 1 held a regular session Tuesday evening.

A contributed dish supper was served at 6:30 and regardless of the inclemency of the weather, approximately 50 members and their friends attended.

The program was presented during the dinner hour and included an address by E. A. Soholm of Arcadia. Mr. Soholm gave much interesting information concerning the Townsend plan and the progress being made by the organization.

Following the address, George V. Decker, president of the club, conducted the business session.

Lieut. Robert Fox of Nashville, Tenn., now in the ordnance division of the U. S. army, arrived today for a week-end visit with his parents, Mr. and Mrs. L. A. Fox, 720 North First avenue. Lieutenant Fox was transferred last week from an eastern base to Fort Ord, near Monterey. His wife is preparing to come west from Nashville early in February for a visit with Lieutenant Fox at Fort Ord and she also will come to Upland during her stay of a few weeks in California.

Alta Loma P.-T. A. Class In Nutrition Begun Wednesday

The Alta Loma P.-T. A. is sponsoring a comprehensive course in nutrition, the classes, beginning with the first lecture on Wednesday evening, January 27th, being held at 7:30 o'clock in the Alta Loma school house. The course will consist of four lectures, designed to give the utmost information in the shortest time.

There has been a great demand for a nutrition course, but everyone is so busy in these times doing his all for the war effort that it was thought best to condense the course into four lectures.

The speaker for the lectures will be Miss Lois Kent, of the home economics department at Chaffey, who combines a knowledge of her subject with a very charming manner.

These lectures will be invaluable for the coming rationing—and those meatless, butterless days.

C. Burton Thrall Is Given Major's Rank

C. Burton Thrall has been promoted to the rank of major. Formerly a captain, Major Thrall is now executive officer in the quartermaster corps at the Los Angeles port of embarkation.

Two sons of Major and Mrs. Thrall are in the army, one, Captoin Norman Thrall, being in command of a rifle company somewhere in the South Pacific. The other son, Howard, is a flying cadet at Bainbridge, Ga. Mrs. Norman Thrall (Betty Foss) and baby are residing in Upland.

Chaffey Airplanes Being Reconditioned

Using the equipment and personnel available in the aeronautics department at Chaffey, licensed mechanics are putting the airplanes into shape as secondary trainers for use in the Chaffey war training service at Silver Lake. At present there are three planes being conditioned or rebuilt in the shops.

Licensed airplane mechanics who are in charge include Fred O. Felsch, Harold Stickney, L. W. Pacton, Carl J. Ketola, Edward H. Cooper, and Kenneth Lynch.

The armed forces will enroll 70,000 young men a month out of about 1,200,000 who reach the age of 18 next year, according to estimates.

To be eligible to receive all of the jack pot, your total purchases from two or more stores may be for

ONLY $1.00

•

All of jack pot may be won if person has two or more sales slips from two or more stores with total purchases over $1.00.

If the first person offered the $192 does not qualify to receive the jack pot, $92 will be offered and additional drawings will be conducted until a winner for the $92 has been found.

Saturday Dividend Day!

A QUESTION IN EVERY ADVERTISEMENT

You will note that in each space is an easy-to-answer question. To qualify for the Dividend Day award, you must answer the questions listed by the firms from which you have saleslips.

For Example—If you have a sales slip from Blank Co., you must write the answer to the Blank Co. question on the sales slip and have it ready for presentation to the Merchants' Messenger by 6 p. m. Monday.

If you are not going to be home Monday between 6 and 7 p. m., leave your sales slips posted near your front door.

Every adult in Upland, Alta Loma, Cucamonga and Etiwanda is eligible to participate in the Upland Merchants' Dividend Day. A directory has been especially compiled to include every house address in these communities.

The dividend sales do not have to be for cash, a "charged" sales slip being acceptable. In all fairness, however, a sales slip for payment on account cannot be eligible for use on dividend day.

READ THE ADVS. AND WRITE ANSWERS TO THE QUESTIONS LISTED BY THE FIRMS FROM WHICH YOU OBTAIN SALES SLIPS.

Published every Tuesday and Friday afternoons at 170 North Second Avenue, Upland, California. Telephone 311-06. Entered at the Upland post office as second class mail matter. Annual subscription is $2.50; $3.00 by mail outside San Bernardino County; single copies, five cents.

TODAY'S BIBLE VERSE

Now ye are the body of Christ, and severally members thereof.—I Cor. 12:27.

Keep This Letter Richard— What It Says Is Good For All To Remember

In the midst of a heavy downpour of rain a week ago, one of The Upland News carrier boys rang the doorbell at the home of each of his customers and personally delivered his newspaper.

It is part of his duty to deliver the paper on the porch or doorstep of the home of each subscriber. "Some of my papers will get wet, so I had better call the people to the door"—perhaps that was his line of reasoning in voluntarily deciding on the "extra service".

Richard Naisbitt is the lad who gave this extra service and he is the lad who has received much commendation, written and verbal, for doing so.

A copy of a letter received by Richard was also sent to The News editor. At least one paragraph of this letter should be framed by Richard and forever remembered:

"Throughout your life you will find that if you do each job a little better than you are required to do it, you always will have a job and a much better job than the fellow who barely does what is required. You are making a good start. Keep it up."

Flood Control and Water Conservation Projects Produce Good Results

The flood control and water conservation projects, constructed in recent years, were put to a test during the last week. The result—no loss of life here and a minimum of property damage.

Of course, the soil was dry and much of the heavy rainfall of the last week was absorbed, thus reducing the runoff. At the same time, the torrents that kept coming, hour after hour, couldn't all be taken into the soil. Even check dams and diversion walls at some points were washed out by the rushing waters.

Results, however, speak for themselves. The vast network of dams, walls and spreading grounds in San Antonio canyon and the canyon wash land were vital factors in protecting this area during the emergency.

And Some Children Are Good In Spite of Their Parents

Someone has wisely said: "If there is a juvenile problem, then there is an adult problem."

Every week there is evidence to prove the truth of that statement. Take a recent midnight for example. A little girl is at the San Antonio Community hospital with a fractured skull—the father is in jail on a drunk driving charge. His wife and a young son also were in the car.

Draw your own conclusions as to why the parents were out with their youngsters at 12:30 a. m.

Some children develop into fine young men and women in spite of their parents.

TIME PASSES

14 Years Ago

Wiley W. Mather, president, and Fred E. Draper, secretary, of the Upland Lions club, returned today from Fresno, where they attended the Fourth District Lions convention.

In the election held during the annual meeting of the Woman's Auxiliary of San Antonio Community hospital, Mrs. A. L. Weber was named president, succeeding Mrs. E. C. Harwood.

William Atchley will complete this week the shipment of 156,000 pounds of honey to eastern points.

Mr. and Mrs. C. C. Danner and son Clyde, and Harry McKinney motored to Big Pines playground Sunday intending to enjoy the snow sports in the Los Angeles county playgrounds, but were unable to get nearer than six miles from the park because of the record crowd.

Mr. and Mrs. Sam Lamb, Mrs. Margie Hill, Miss Rheta Frakes and Roy Thudium motored to the Lamb cabin in San Antonio canyon Sunday and spent the day enjoying the snow.

Thousands of spectators thronged Upland today and crowded Euclid avenue to witness the unveiling of the Madonna of the Trails monument. John Steven McGroarty was the speaker dedicating the monument.

Going to Los Angeles Tuesday to attend a meeting of the board of education of the Southern California Methodist conference, were Dr. and Mrs. James A. Stavely, Mr. and Mrs. W. F. Naftel, Mrs. J. A. Betz, Miss Jessie Brown, Miss Gladys Riley, Miss Helen Hilty, Miss Anna Beall Clarke and Miss Florence Armstrong.

The four Eagle Scouts selected by Lex Lucas, Scout executive, to lead the flag salute at the unveiling of the Madonna of the Trails monument, are Vincent Combs, Robert Harvey, Earl Middleton and John Beahrs.

10 Years Ago

Howard Huntington, relief clerk at the Upland pharmacy, was held up last night by three unmasked men, who entered the store and robbed Huntington of $15 and the cash registers of $60. Geo. M. Guild, proprietor of the store, was attending the chamber of commerce annual banquet.

Harold Zenz, son of Anton Zenz, is a member of the mid-winter graduating class at the University of Southern California in Los Angeles. During his two years in Chaffey junior college he was an outstanding player on the baseball nine.

Miss Ruth Clark, daughter of Mr. and Mrs. Lyman Clark of First avenue, began work this week as stenographer and clerk in the Upland branch of the Bank of America.

Postmaster L. N. Kirk and R. W. Gage went to Los Angeles last night and attended a meeting of the California Breeders of Rare and Fancy Fowl club.

Newly elected officers of the Upland junior high school student body are Newman Draper, president; Ruth Ward, vice-president; Robert Taylor, program chairman; Betty Foss, secretary; Eleanor Warburton, yell leader; Ruth Kirkpatrick, pianist, and Emily Draper, editor-in-chief.

Mrs. Ralph H. Marr, retiring president of the Woman's Relief Corps, will be installed as president of W. R. C. District Federation No. 2, when the regular meeting is held in Riverside on February 6.

Mr. and Mrs. V. W. Hale spent yesterday in Upland visiting friends. Mr. Hale formerly was a partner in the Adams and Hale grocery store here. He now has a fruit and vegetable market in Prescott, Ariz.

W. F. Kienzle, 791 East Eleventh street, has returned from a several months visit in Atchison, Kan.

Miss Esther Anderson was the honor guest at a birthday party given last evening by Mrs. Hjalmar Anderson at her home on East Arrow highway. Bridge playing followed the birthday dinner.

For high class job printing try The Upland News. tf

Presbyterian Pastor Is To Be Installed Sunday

The Rev. Donald Gordon Stewart will be installed as pastor of the First Presbyterian church during a special vesper service to be held at the church at 3:30 Sunday afternoon. At that time the Riverside Presbytery will convene at the church for the purpose of conducting the installation.

Rev. John Cavitt, Ph. D., pastor of the First Presbyterian church of San Bernardino and moderator of the Presbytery, will preside. The Rev. David McMartin, D. D., of Beaumont, will give the address, and the Rev. Clark H. Breeze, pastor of the First Presbyterian church of Redlands, and the Rev. Franklin B. Josselyn, pastor of the Westminster Presbyterian church of Ontario, will

REV. DONALD STEWART

give the charges to the pastor and the people.

The Scripture lesson will be read by the Rev. Harland E. Hogue of Claremont colleges, a member of the Los Angeles Presbytery, and prayer will be offered by the Rev. John H. Lawrence, D. D., also of Claremont.

The new pastor, who has been serving the church as minister for several weeks, came here from Los Angeles, where for several years he was in charge of student work for the Presbyterian church with headquarters at the University of California at Los Angeles. Pryor to that he held pastorates at Monrovia, Watsonville and Berkeley and in his early ministry he spent several years at Tonopah, Nev.

The Rev. Mr. Stewart is a member of the Upland Lions club and is rapidly becoming acquainted with the people of Upland.

TO HOLD RECEPTION

Following the installation and vesper service an informal reception for the Rev. Mr. Stewart and Mrs. Stewart will be held in the social hall by the Presbyterian Women's association, of which Mrs. Merrill H. Moremen is president.

Mrs. H. M. Guy will serve as chairman of the refreshments committee and will be assisted by the other group chairmen, Mrs. Ray C. Norton, Mrs. Archie L. Moore and Mrs. Maud M. Brogan.

FIRST PRESBYTERIAN
Euclid at Ninth
Rev. Donald G. Stewart, Minister

9:45 a. m.—Church school; departments and classes for all ages.

11:00—Morning worship; theme "By-Products".

3:30 p. m.—Vesper service; installation of the Rev. D. G. Stewart as pastor of the church by the Presbytery of Riverside, the Rev. John B. Cacitt, Ph. D., Moderator of Presbytery, presiding.

4:30 p. m. — Reception for the new pastor in the social hall. The public is welcome at any or all of these services.

PHONE OPERATORS NEEDED IN DEFENSE

Women volunteer telephone operators are wanted for duty at the Upland control center to serve at the incident defense drills and to be in constant readiness to serve in an emergency.

As many as 10 volunteers are sought to take free PBX training. Mrs. Donald Savage, Miss Hulda Runge and Mrs. Harry Plum are handling the telephones at present but these three women may not all be able to serve in the future. A reserve list is necessary. Volunteers may report at the city office or to City Manager Richard G. Manley or to Richard Derby, building inspector and chief air raid warden.

Presbytery Meeting Attended by Number From Local Church

A group from the Presbyterian church motored to San Bernardino Tuesday to attend a joint meeting of the Riverside Presbytery and Presbyterial, held in the San Bernardino Presbyterian church. In the party were the Rev. Donald G. Stewart, new pastor of the local church, and Mrs. Stewart; Mrs. Merrill H. Moremen, president of the local Presbyterian Women's association; Mrs. Ernest W. Fischer, Mrs. Claude B. Mattox, Mrs. Walter F. Tyler, Mrs. Ora Clark Palmer, and H. A. Hixson and Jack T. Hansen, the latter two attending only the morning session.

During the morning session the Rev. Mr. Stewart was taken into the Riverside Presbytery, being transferred from the Los Angeles Presbytery.

This was the mid-winter meeting of the two organizations and both morning and afternoon sessions were held, with the Rev. John B. Cavitt, pastor of the San Bernardino church, presiding as moderator.

FIRST MENNONITE
Earl Salzman, Minister

9:30 a. m.—Sunday school; Albert Schmutz, superintendent.

10:30 a. m. — Worship service; choir selection; sermon by Rev. Wesley Ewert.

7:00 p. m.—C. E. societies meet.

7:45 p. m. — Worship service; devotions led by High School C. E.; sermon theme, "Jesus—His Faith".

131 Donors Give Blood Here

—:—

Red Cross Event Successful

Many pints of precious blood generously donated by local residents for use wherever it is needed were obtained Wednesday by the mobile unit of the American Rd Cross.

Responding to the call to give of their blood to form a plasma reserve, 131 residents were treated at the Upland Woman's club house from 10:00 a. m. to 2:00 p. m. Among those going in a group as blood donors were employes of the Upland Lemon Growers association and Upland policemen. Following them were several scores of other residents, all eager to contribute one pint of blood.

With the new chairman, Mrs. Paul Adams, in charge, the Upland chapter of the American Red Cross ably handled many of the details in accommodating the large number of donors. Ernest H. Gibson, as chairman of the blood donor service, arranged for the donors to report. He and Mrs. Adams enthusiastically thanked local residents for their wholehearted cooperation.

Mrs. Warren H. Wass, as nutrition chairman, directed the serving of light refreshments as the donors left the "operating" tables.

Assisting her were Mrs. L. E. Moser, Mrs. Norman S. Lawson, Mrs. J. P. Bert, Mrs. J. F. Sawyer, Mrs. Edna Harmon, Mrs. Albert Schmidt, Mrs. Frank Gingerich and Mrs. W. E. Morse.

While the regular staff members with the mobile unit were actually in charge of the service, many local people assisted. Mrs. Lottie Fuller, city nurse, and Mrs. Max Hawkins assisted as nurses and the "nurse aides" wers Mrs. V. A. Copeland, Miss Jennie Plum and Mrs. B. M. Books.

Typists assisting with the enrolling of the donors were Mrs. Elwood Kirkpatrick, Eunice Mitchell and Mrs. Sam Lamb.

Spokesman for the Red Cross mobile unit from Los Angeles highly complimented Upland on its interest and paid special tribute to the work of the local Red Cross chapter and its president, Mrs. Adams and to Mr. Gibson for the manner in which the arrangements were made.

Methodists Not To Change Until Feb. 6

The Methodist church members have decided to make a change in their program but the new schedule will not go into effect until Sunday, February 6. The new schedule provides for an evening service and for discontinuance of the noon dinner and afternoon program.

A special program will be presented on Sunday at the morning service and at 1:30 p. m., following the contributed dish dinner, the Men's club will have a business meeting. Also at the same time will be a women's meeting.

FIRST BAPTIST
Eighth and Sultana
R. E. Davis, Pastor

9:45 a. m.—Sunday school; Melburn Hannah, superintendent.

11 a. m.—Preaching by pastor.

2:00 p. m.—Community sing.

6:30 p. m. — Young People's meeting.

8:00 p. m.—Preaching by the pastor.

Wednesday, 7:30 p. m. — Midweek church meeting.

Thursday, 7:30 p. m.—Woman's Missionary Union meets at the church.

Saturday, 7:30 p. m. — Men's Brotherhood meets at the church.

BETHANY UNION
San Antonio Heights

2:45 p. m.—Sunday school.

4 p. m.—Worship. The sermon will be preached by the Rev. Dallas Gladson, Ontario.

Wednesday—3 to 4 and 4 to 5 p. m.—Bible classes.

Wednesday, 7:30 p. m.—Prayer meeting and Bible study.

WE HATE LATE TRAINS, TOO!

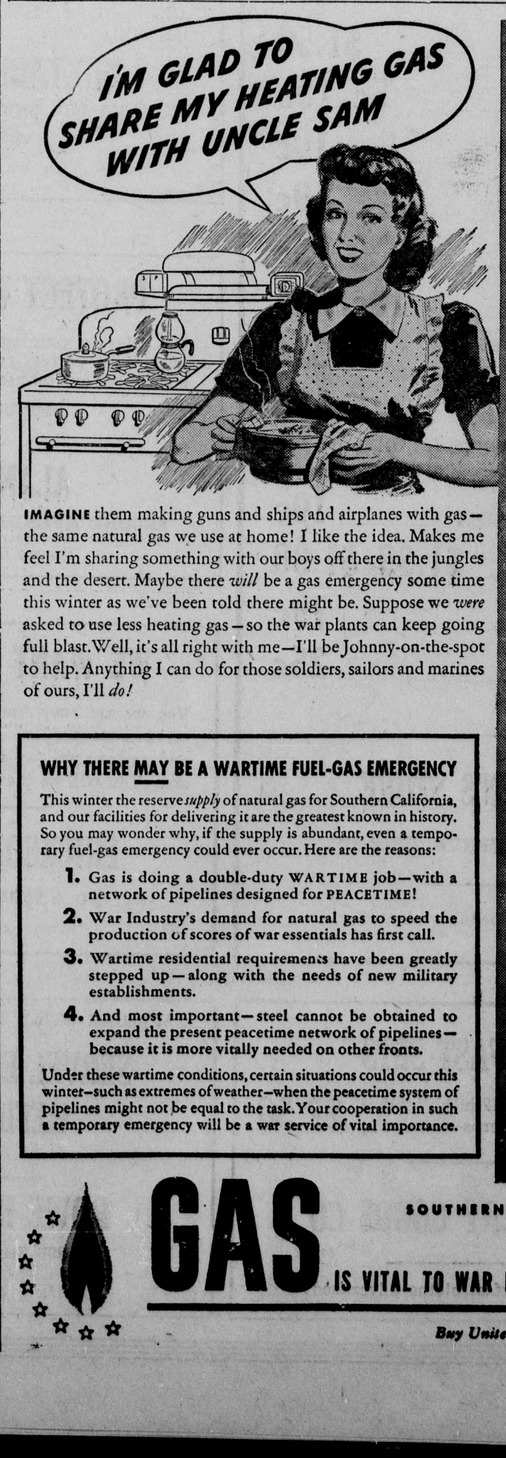

Santa Fe

★ Santa Fe has a long and enviable record of on-time service and we're proud of it. But sometimes it's a case of delaying you or your shipments to "keep 'em rolling"—moving troop trains, war material and food where and when needed, not only for ourselves, but for our Allies as well. We know that's the way you want it!

We dislike crowded dining cars as much as you do—we deplore the fact that you can't always obtain just the accommodations you want when you want them. Equipment, ample in normal times, is now barely adequate for military and necessary civilian travel. Passenger equipment we now have *must do*. No more can be built for the duration.

Santa Fe appreciates your good-natured understanding during the past year. We'll continue, of course, to give first call to the war effort—but your necessary travel will receive the best service conditions will permit.

Your local Santa Fe Agent will gladly help you with your travel or shipping problems.

IMAGINE them making guns and ships and airplanes with gas—the same natural gas we use at home! I like the idea. Makes me feel I'm sharing something with our boys off there in the jungles and the desert. Maybe there *will* be a gas emergency some time this winter as we've been told there might be. Suppose we *were* asked to use less heating gas—so the war plants can keep going full blast. Well, it's all right with me—I'll be Johnny-on-the-spot to help. Anything I can do for those soldiers, sailors and marines of ours, I'll *do!*

WHY THERE MAY BE A WARTIME FUEL-GAS EMERGENCY

This winter the reserve *supply* of natural gas for Southern California, and our facilities for delivering it are the greatest known in history. So you may wonder why, if the supply is abundant, even a temporary fuel-gas emergency could ever occur. Here are the reasons:

1. Gas is doing a double-duty WARTIME job—with a network of pipelines designed for PEACETIME!
2. War Industry's demand for natural gas to speed the production of scores of war essentials has first call.
3. Wartime residential requirements have been greatly stepped up—along with the needs of new military establishments.
4. And most important—steel cannot be obtained to expand the present peacetime network of pipelines—because it is more vitally needed on other fronts.

Under these wartime conditions, certain situations could occur this winter—such as extremes of weather—when the peacetime system of pipelines might not be equal to the task. Your cooperation in such a temporary emergency will be a war service of vital importance.

GAS IS VITAL TO WAR PRODUCTION...USE IT WISELY

LOCAL NEWS BRIEFS

Home cooked meals served family style at my home. Popular prices. 191 North Third avenue adv. 70-2x

Mrs. Ellen Blain underwent a tonsilectomy this week at the Green Memorial hospital. She resides at 449 East Ninth street.

For your Victory garden use Bandini Gro-Rite fertilizer, in handy bags.—Rowe Hardware Co. —adv. 77-2

J. H. Hartzog, who has been in Santa Rosa for several weeks, has returned to Upland and resumed work at the Culver & Hartzog barber shop.

Mrs. J. M. Banning of 766 North Second avenue, went to Los Angeles Wednesday evening to be with her sister, Mrs. Louise Leech. Mrs. Leech, who has been ill for some time, suffered another stroke recently and is now in a critical condition.

Harold Salisbury is on regular schedule in advancing in his work through the officers' training school at Camp Wheeler, Ga., according to word received by his parents, Mr. and Mrs. J. T. Salisbury, 279 North Second avenue. He is now at the officers and noncommissioned officers school, having been in preliminary training since his enlistment several months ago.

Mrs. L. F. Williams is enjoying a visit at her home, 622 North Second avenue, from her brother-in-law and sister, Mr. and Mrs. James Prante, who arrived recently from Milnor, North Dakota. Mr. and Mrs. Prante are planning to remain in Upland till March and will then go to Salinas and San Jose to visit other members of their family. They have spent several winters in California, stopping in various places from the northern to the southern border and they have decided they like Upland better than any other place they have visited. Just now they are particularly pleased to be in California. Wednesday they received a letter from North Dakota saying the temperature there was 35 below zero.

Mr. and Mrs. George L. Winter had as guests Sunday at their home on East Ninth street Mr. and Mrs. Randal Bradburne and their children, Richard and Marian, who motored out from Arcadia. Mr. Bradburne is a nephew of Mrs. Winter.

In an assembly held at 8:30 this morning, preceding the opening of classes, the recently elected officers of the Chaffey junior college student body were inducted into office, Miss Jeanne Pehl of Upland assuming the duties of president and Alan Goodban, also of Upland, taking office as vice-president. Following the "inauguration" an athletic program, including tumbling acts, was presented.

Eight Uplanders were in attendance at the special educational program dealing with the aircraft warning system, which was held in the Pomona junior high school Wednesday night. Those going from here to learn more about the system and its importance were Chief Observer and Mrs. Harvey McMasters, Mr. and Mrs. John L. Bice, Walter Gear, assistant observer; Arthur Throop, Roscoe Dinger and Homer Thornton.

D. S. Dettweiler, Hellman avenue, Alta Loma, was removed to his home yesterday after having recovered sufficiently from a major operation performed earlier in the month. He was a patient at the San Antonio Community hospital.

Mrs. Russell Howe, who makes her home at 113 First avenue, underwent a minor operation this week at the San Antonio Community hospital. Her condition is reported to be satisfactory.

Mrs. J. E. Beitzell, 515 East Fifteenth street, has found some auto top covering and she has reported this to the Upland police department. The property will be retained by her pending the finding of the owner.

Mrs. William Campbell, 433 North Third avenue, went to Burbank Tuesday to spend several days with her son and daughter-in-law, Mr. and Mrs. Dudley Campbell. Mr. Campbell is employed as electrical engineer at the Lockheed Aircraft Corp. plant at Burbank.

YOUNG SPEEDERS WARNED BY BOARD

Several of Upland's young motorists had a conference with the gas rationing board this week, the subject being their inconsiderate use of their cars and their speed.

The young men had been summoned because of citations that had been given them for traffic law violations.

If any of them receive another citation, the gas rationing books will be taken up.

Letters are being sent by the board to all violators of speed laws. The "conference" was held Wednesday, the board members present including E. Miller Dietz, chairman; Gilbert Benson, Martin Derfer, Harry M. Guy and the Rev. Charles L. Knight.

SCOUT ANNIVERSARY WEEK IS PLANNED

In order to give proper recognition to the thirty-third anniversary of Boy Scouts, local Scout officials are planning for "Boy Scout Week" opening February 6.

The local troops are expected to participate in the various anniversary events. Highlighting the local observance will be a court of honor for all Scouts in the Old Baldy Council. This event will be in the Chaffey auditorium.

Bringing all local Scouts together, will be a special church service planned for February 7. H. A. Hixson, leader of troop No. 3, is arranging for this event. Earl E. Hawthorne, No. 4 troop scoutmaster, and Harold J. Stickney, No. 1 troop scoutmaster, are also planning for special events.

Attorney General Upholds Board In Grier's Election

Bringing to an end a one-man controversy over the legality of the election of C. E. Grier as chairman of the San Bernardino county board of supervisors, Attorney General Robert W. Kenny issued a ruling Thursday declaring the board's reorganization election legal and in correct order.

The attorney general's ruling upheld the opinions given by both District Attorney Jerome B. Kavanaugh and Donald S. Gillespie, chief deputy district attorney.

Questioning the validity of Mr. Grier's election to the chairmanship by a majority of his fellow board members, Supervisor Jess L. Stout requested District Attorney Kavanaugh to obtain a ruling from the attorney general. Mr. Stout's contention of illegality was based on his interpretation of the wording of the county charter.

F. B. I. Wants Man Arrested In Upland

Pablo Morrillo, San Pedro, came to Upland today to pay a $100 drunk driving charge fine.

On his arrival here, the F. B. I. had a note for him. They wanted him because he did not have a card showing he had registered in the selective service call.

Morrillo was arrested earlier this week while allegedly driving on Euclid avenue. Judge Puckett assessed the fine.

BIRTHS

Their first child a son, and now a little baby girl has joined the family of Mr. and Mrs. Robert Wilbourne, formerly of Upland, who now reside at 560 East F street, Ontario. The eight-pound miss was born at the San Antonio Community hospital at 3:35 a. m. Wednesday, January 27.

Mrs. C. W. Hall, 358 East Arrow highway, and her eight-year-old grandson, Jaryl, who had been here for several days, went to Los Angeles Thursday to greet Jaryl's brand new brother, Gary, who arrived on January 20 at the Wilshire hospital in Los Angeles. The new baby is the son of Mr. and Mrs. J. O. Coleman of Los Angeles. Mrs. Coleman is the daughter of Mr. and Mrs. C. W. Hall. Mrs. Hall plans to remain with her daughter and family for several days.

Mr. and Mrs. Roger Brown, 772 West Maitland street, Ontario, are the parents of a daughter, born Wednesday morning at the Green Memorial hospital.

Mr. and Mrs. Marvin Setzer, Pomona, are receiving congratulations over the arrival on Tuesday of a daughter at the Green Memorial hospital.

Captains in Red Cross Drive Here Show Keen Interest

Taking hold of the Red Cross war chest drive just like they have been doing other war-time measures, recently appointed "captains" are preparing a month in advance for a city-wide solicitation.

A captain has been named for each of the 14 precincts in the community by Frank K. Nichols, general chairman. Plans for the campaign were outlined at a meeting Wednesday night. The drive is to start March 1 with approximately $10,000 to be raised here.

INCOME TAX MAN HERE FEB. 23, 24

Although the day of his coming is a month away, still it is not too early to begin to prepare for the visit of the state income tax collector, is the warning given today by Mrs. Frank Wiley, assistant secretary of the Upland chamber of commerce.

The tax collector will receive his "paying guests" at the chamber of commerce office, 130 East Ninth street, on Tuesday and Wednesday, February 23 and 24, and on those days Upland income tax payers may square their accounts with the state of California.

State income tax forms, as well as the federal income tax forms, are now available at the chamber office.

Mrs. Wiley is making an effort through correspondence to secure the appearance here of a federal income tax collector on the same days, February 23 and 24, with the thought of making it convenient for the taxpayers to make both payments in one visit to the office.

WHO MUST FILE

Single persons having a gross income of $1,000 or more and married persons or heads of families having a gross income of $2,500 or more, must file state income tax returns.

Hostesses at the U. S. O.

With many organizations cooperating in taking charge of the U. S. O. headquarters in Ontario, Mrs. Leland Scheu today announced that the following organizations would be at the U. S. O. on the days specified:

Monday—Wives of Cal-Aero employes.

Tuesday—Women of the Elks lodge.

Wednesday—Upland Order of Eastern Star.

Thursday — Ontario First Christian church.

Friday—San Antonio Heights Community league.

Saturday — Upland Woman's club.

Sunday — Ontario Business and Professional Women's club.

FAMOUS PIANIST COMES TO CHAFFEY

Jose Iturbi, a magnificent artist with a dynamic, magnetic personality, as remarkable a musician as he is a virtuoso, will present a piano concert at the Civic auditorium, February 8, as the third number of the civic concert series. He follows Yehudi Menuhin and Donald Dickson, who have been successful in the season's offering.

Iturbi, outstanding pianist that he is, has the personality which wins him a place with Charley McCarthy on the radio and in the same season the conductorship of famous symphonic orchestras. He has a magic way of pleasing people as well as musicians, who enjoy his informal, human touch.

The Spanish pianist arrived in the United States in 1929 for the first time, and quickly played concerts with great success from coast to coast. In 1938 he played twenty recitals in six weeks in Mexico City with the same sensational success. Returning to New York following his first Mexican season, he was asked to become guest conductor of the Philharmonic Symphony orchestra for concerts in the Stadium. The result was a series of engagements.

In March, 1934, he conducted the Philadelphia orchestra for one week and was re-engaged. During the summer of 1934, he conducted the opening three weeks of the New York Stadium concert, followed by a fortnight with the Philadelphia orchestra, and six concerts with the Los Angeles Philharmonic orchestra at the Hollywood Bowl.

Since this time he has continued his exciting success as a conductor at the same time making an unusual success of his piano concerts through this nation and South America. He is now permanent director of the Rochester Philharmonic orchestra.

Locally, Iturbi has played in Los Angeles auditorium and the Hollywood Bowl many times. He is well known for his appearances in the valley. Every person who listens on the radio enjoys his portion of the programs on which he appears either as conductor or pianist or specialty player.

USO Dance Will Be Held Tonight

Tonight is dance time again for all uniformed men in the community and for the girls who hold U. S. O. membership cards. Admittance to the dance will be by the cards only, it is announced, and all girls with these cards are urged to be present.

Mrs. William Richardson, Ontario, will be in charge. Dancing will be from 8 to 11 p. m.

Joe Seitz's Station To Close On Sundays

Joe Seitz, proprietor of the Standard service station on Second avenue and Foothill boulevard, said that in the future his station would be closed Sundays.

He also announced the new daily hours as 7 a. m. to 7 p. m.

Since purchasing the station several years ago, Mr. Seitz has served many motorists seven days a week. In view of the inability to obtain help and other war-time reasons he is reducing his station schedule.

Nine Chaffey Men To Be Called Feb. 5

Only nine men from the army reserves will be called from Chaffey junior college at the end of this semester on February 5, according to the word received by Dean Walter Hall, military adviser for the men registered in the reserves of the armed services.

Those who will leave at the end of the semester include James Carter, Max Cramer, Hollis Hartley, Leonard Hays, Clifford Hill, Robert Latham, Carleton, John Thompson, and Irving Schlaffer.

Mr. and Mrs. R. H. Hutchinson, 1160 East Eighth street, are receiving congratulations over the arrival of a son, born Wednesday afternoon. The youngster was born at the Hutchinson home.

American Indians have sent more than 11,000 men to war, out of a population of about 400,000, creating a manpower shortage on reservations.

About 300 war plants in the United States help to produce the 45,000 different parts in a heavy bomber and the 40,000 parts in every tank.

ODD FELLOWS PLAN BOYS JUNIOR CLUB

First action on the much-discussed proposal to provide suitable recreational facilities and supervision for the boys of the community was taken Tuesday evening at the father and son dinner held by Upland Odd Fellows in the I. O. O. F. hall.

Dinner was served in the dining hall at 6:30 and was followed by a discussion of recreational problems. Robert L. Marineau, teacher in the Upland junior high school, was the principal speaker, with several others joining in the discussion. Lee K. Bigley served as master of ceremonies.

Mr. Marineau, in discussing the topic of "Juvenile Delinquency", developed the thought that prevention is far better than punishment and emphasized the need for properly supervised play and recreation for children.

GYM ADVOCATED

The speaker strongly advocates an indoor gymnasium and public meeting place supervised by a paid director. The churches, lodges, service clubs and the city government all can help in many ways, it was pointed out.

Purpose for holding the father and son dinner was explained by N. R. Jamieson, who told of a proposal to organize a junior club under the sponsorship of the Odd Fellow lodge. Such clubs already are functioning in many places.

WOULD SHARE HALL

The Upland lodge has a large and well equipped hall and it was the consensus of the members that the facilities should be shared with the boys of the community.

In his talk Mr. Jamieson suggested that the boys might organize a junior police department.

Thomas J. Carter, also a teacher and a guest at the meeting, spoke briefly, as did a number of others. Another special guest was W. N. Williamson.

Boys present as guests of the members were Robert Haynes, Buel Anderson, Tom Jamieson, Don Johnson, Darrel Mayberry, Clifton Baker, Don Mueller, Bill Rugg, Willis Williamson, Bob Anderson, Bill Eden, J. C. Shoemaker.

Preceding the dinner, Harold Anderson assisted the boys in getting a lot of fun out of dart, baseball and other games in the recreation room.

Bob Haynes and Bill Rugg, trumpeters, sounded the "call to eats", and they also played a duet selection.

During the evening the boys were taken on a tour of the various rooms in the hall.

Following the dinner hour, Archie J. Robinson, noble grand, conducted a brief business session and the members voted to begin the organization of the Junior club.

It takes 70 to 80 million board feet of lumber annually to provide splints for 270 billion boxed matches used in the United States, and 500 tons of steel each year go into the tiny steel staples of book matches, of which we consume 225 billions.

7:30—Evening service; sermon topic, "An Adequate God, and Satisfactory Relationship to Him".

Wednesday night—Prayer and praise service.

Jesse France With Navy in Training at Large Idaho Station

A few days ago he was a civilian, but now Jesse France, son of Mr. and Mrs. E. J. France, 709 N. Third avenue, Upland, is wearing the uniform of an apprentice seaman and is receiving his recruit training at the U. S. Naval Training station at Farragut, Idaho.

Dressed in the smart uniform of a U. S. Navy Bluejacket, he is rapidly learning the fundamentals of his new duty. He will be instructed in seamanship, toughened in the navy's physical hardening program and immunized against disease. On graduation, he, with his many comrades, will either be assigned to a navy service school for training in a specialized field or will join the fleet for early action at sea.

Married persons may, however, file joint returns, even though one has no income, and by filing a joint return a couple married during the year may obtain an exemption amounting to the exemption to which they would be entitled for the period of married status, plus the amount of their individual exemptions prior to their marriage. In the example given the total exemption in a joint return would be $1,100 ($250 for each spouse for six months plus $600 for six months married status).

'43 CAR LICENSE SERVICE TO END

With more than 1,200 persons having applied for 1943 automobile license plates through the Upland chamber of commerce, emphasis is placed on the fact that February 4 marks the close of the service.

Deadline for receiving applications at the Upland office is 12 o'clock Thursday noon, February 4, it is emphasized by Mrs. Frank Wiley, assistant secretary of the chamber.

The applications must be in the San Bernardino office by 4 p. m. of February 4, and those filed here will be picked up at noon.

Popular at the outset, the auto license plate service has appealed this year to far more motorists than ever. All that is necessary is for motorists to leave the money for the license fee and the white registration slip at the chamber office.

Louis Kronmeyer, state highway patrolman here, is the "go-between" man, taking the applications to the San Bernardino office of the California motor vehicle department. He returns the plates to the local chamber office within a few days.

250 Soldiers Each Week Going to USO

Averaging more than 250 soldiers since January 1, each week, the U. S. O. headquarters in the Ontario Woman's club house is continuing to be of increasing service to the men in uniform.

Even with the soldiers removed from the Chaffey campus, the U. S. O. has been recognized by 1,104 soldiers as a social meeting place, according to Mrs. Leland Scheu, publicity chairman.

LOCAL MEN AMONG MONOXIDE VICTIMS

Two Upland employes at the Kaiser steel plant near Fontana were among the 17 men affected, more or less seriously, when they inhaled monoxide gas while working on a blast furnace at the mills Thursday morning.

C. O. Price, one of the Upland victims, at first thought to be seriously stricken, was brought to San Antonio Community hospital. However, he responded satisfactorily to treatment and is recovering today, although he still is in the hospital.

The other Upland worker, Jack Starke, affected less seriously, was given assistance at the Kaiser company's first aid station, along with a number of others, and sent home for the day.

The near-asphyxiation occurred when a pocket of deadly monoxide gas formed suddenly where the men were working on the furnace.

When the workers were stricken, members of the plant's first aid crew and several volunteers climbed the tower to help them, and several of the rescuers were among the 17 affected by the gas. The fact that all the men escaped without more serious results was attributed to the quick and efficient work of the company's first aid crew.

EXPLANATION GIVEN

A statement made by company officials concerning the accident, says in part:

"The gas pocket formed where a group of steel workers, employed by Consolidated Steel Corp., a sub-contractor at Kaiser Co., were building walk-ways when gas, normally present at all blast furnaces, was confined in a small area due to the lack of wind and heavy weather conditions.

"Kaiser firemen maintain a constant check at the blast furnace with a gas indicator, but no gas appeared to be present until the pocket suddenly formed."

AMBULANCE CALLED

Stone's ambulance, called into service, was taken to the plant by E. Tweed Stone and Harvey Gallaugher, both accredited first aid experts, and they aided in the resusciation work and helped carry the men to the hospitals in San Bernardino and Upland. Ambulances from Ontario, Pomona bulance from Richardson's in Ontario also was called into service.

Upland Officials To Participate In Meeting Saturday

When the San Bernardino County Magistrates association and the County Constables association hold joint sessions Saturday evening in the California hotel in San Bernardino, Upland will be represented by Justice Fred H. Jacobs, City Judge Mildred R. Puckett, Constable Sam Barker and Chief of Police Eugene L. Mueller, according to present plans.

The magistrates' association will hold its annual election of officers. Judge Jacobs is the retiring secretary of that organization.

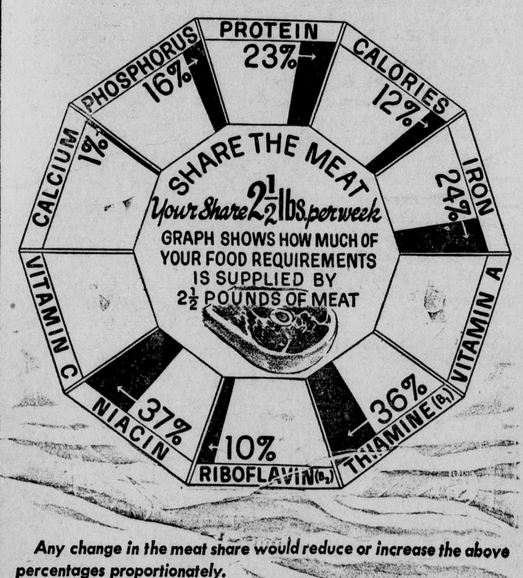

Superior Judge Benjamin F. Warmer of Ontario will discuss juvenile delinquency problems, and Harold Zenz, deputy county clerk and clerk of the board of supervisors, will discuss payroll deductions for the purchase of war bonds.

Assemblyman Price Expected Home Over Week-End For Recess

R. Fred Price, assemblyman from this district, plans to return home during the week-end, according to word received from him by The Upland News.

The state legislative sessions are in two parts. During the first half proposed bills are introduced. A recess is then taken, with the legislators convening again for discussions and voting on the measures.

Food Value of Your Share of Meat

Any change in the meat share would reduce or increase the above percentages proportionately.

Variety meats (liver, heart, kidney, etc.) are not restricted. Each serving of these meats added to your 2½-lb. weekly share of restricted meats will increase the above percentages about as follows: Calories 1%, protein 3%, phosphorus 2½%, iron 8%, vitamin A 14%, thiamine 2½%, riboflavin 8%, niacin 7%, vitamin C 1½%.

MORE NURSE AIDES WANTED FOR CLASS

Responding to the appeal of San Antonio Community hospital for volunteer nurses aids to help in time of emergency, approximately 20 women of the West End so far have registered for instruction, it is reported by Miss Thurma Leabo, member of the hospital clerical staff.

Miss Leabo is handling the registrations at the hospital and she also will be present when the class convenes for the first time next Monday evening, February 1, at 7 o'clock, to register any volunteers who are present to join the class.

The training course will be given at Chaffey for the purpose of preparing the women to assist the regular nurses in the hospital in time of any possible emergency or disaster, due to the war or otherwise.

Dr. A. A. Aita, superintendent of the hospital, today issued a call for at least 10 more volunteers, since he considers 30 the minimum number that can safely be relied upon to give sufficient assistance should the community suffer some major disaster.

The class will meet in room 14, first floor, on the south side of Chaffey junior college building.

SCOUT LEADERS FOR YEAR ARE NAMED

Along with leaders in other communities, Uplanders have been selected to direct the affairs of the Old Baldy Council of Boy Scouts, the annual meeting being held in Claremont on Tuesday. Earl E. Hawthorne, chairman of the nominating committee, presented the slate, which was unanimously elected.

Howard N. Mason was re-elected chairman of the Upland Boy Scout directors, and other local directors are Eugene L. Mueller and Earl Hawthorne.

Council president is Robert S. Baum, Claremont, and other officers are Warren H. Wass, Upland; William H. Tangeman, Ontario, and Homer Mead, Ontario, vice-presidents; Glenn M. Atwood, Upland, secretary; Philip J. Curran, Pomona, treasurer, and Clyde A. Paige, Pomona, commissioner.

Other directors in adjacent communities are Harry Ledig, Alta Loma; Robert Nisbet, Cucamonga, and John Frost and Robert Hickox, Etiwanda.

Play safe
KITE FLYERS

This year, more than ever before, it is important that you do not fly your kites near electric power lines...not only for your own safety, but also to avoid possible damage to power lines supplying electricity to vital war factories. Here are the complete safety rules for flying kites:

1. Fly your kite in an open field, away from power lines.
2. Never use wire, tinsel or metallic string.
3. Be sure the cord is perfectly dry.
4. If your kite catches in a power line, let go. Don't pull! Phone the company owning the line and a lineman will come to get your kite for you.
